PRESIDENT’S MESSAGE

First, I want to say thank you to all of our AIA Rochester members and partners for your support of the AIA Rochester community. It is an honor to be working with such a wonderful community. My hope for the coming year is to reinvigorate AIA Rochester as we move forward after the drastic changes we have seen since the start of the pandemic. My goal is to help AIA Rochester GET BACK OUT THERE through:

Community Outreach
AIA Rochester’s community has a strong base of local partners we have engaged with for years. In the next year I hope to strengthen those partnerships and hopefully establish new partnerships with other organizations. New events and collaborations will provide our memberships with new opportunities and connections that will benefit everyone.

EDI (Equity Diversity & Inclusion)
2021 AIA Rochester President Andrew Petrosky did a wonderful job starting the EDI committee. We took the first step and I want to make sure we continue to move forward and grow with the needs of the community. It will be exciting to see where this committee will take AIA Rochester in the coming years.

Relaunch Networking Opportunities
What drew me to AIA Rochester at the start of my career were the networking opportunities. I attended many of these events and developed relationships which have had an influence on my career. Over the past few years these in person events were not possible; making sure these events start back up is extremely important to give our newest colleagues the opportunity to develop and meet the next generation of do’ers.

Engage Next Generation of Architects
The next generation of designers are searching for where to direct their passions. I hope to work with AIA Rochester to establish ways to engage with students from K-12 through college to help them navigate the complex path to getting licensed. I want all students to know that they have a place at the AIA Rochester table in the future and that we are here for them now to help them get to where we all are.

It will take all of us to make these goals a reality. I am proud to be a part of such a great community and excited to work with the entire AIA Rochester membership and partners throughout the next year. Can’t wait to see you out there!

Thank you,
Stacy Welch, AIA
2022 AIA Rochester President
OUR MISSION

AIA Rochester’s mission is to promote the profession and practice of Architecture in the Greater Rochester Area. AIA Rochester is dedicated to providing its members opportunities for professional advancement, community involvement, and promoting design excellence in the built environment.

HISTORY OF THE AIA ROCHESTER CHAPTER

The Rochester Chapter of the American Institute of Architects owes its beginnings to two sources. In the early 20th century, a few Rochester architects belonged to the Central New York Chapter, which covered a broad area from the Western line of Monroe County to the Adirondacks. In 1919, they soon recognized the need for a local organization and founded the Rochester Society of Architects. The Society quietly thrived for forty years, enjoying luncheons and an annual dinner. During the Great Depression the members set up mutual help activities as they worked to survive in those hard times. Later, with the development of better communications and easier travel, the National AIA became a recognized force.

In 1962 the Society voted to become a Section of the Central New York Chapter, and members became more active in AIA affairs. Soon thereafter, it became clear that Rochester architects would benefit from becoming an independent chapter. Application was made to the National Board of the AIA for a Chapter Charter, which was granted in October, 1968. Initially, the Chapter consisted only of Monroe County, however in 1981 Wayne, Livingston, Ontario, Yates and Seneca Counties were added. In 2014 Alleghany County joined our chapter.

Since then, the Chapter has grown in health and size. Nationally it boasts of one of the highest percentages of member architects in its area. Programs expanded, and a central office was established in 1971. The loyalty and dedication of its members indicates its ongoing importance to the Rochester community.

The Charter members of AIA Rochester were Hugh P. Anderson, Florence England Bishop, William C. Burwell, Michael J. Doran, James W. Gemmill, Carl F. W. Kaelber Jr., Roger F. Leaper, G. Carroll Madden, Marvin Meyer, and Myron E. Starks.
CHAPTER OBJECTIVES & ACTIVITIES

OBJECTIVE 1: EDUCATION

CONTINUING EDUCATION (CES)
Continuing education is a requirement of membership in the AIA, as well as of the New York State Education Department. All members are required to obtain a minimum number of learning units each year in various forms of continuing education. AIA Rochester offers a variety of continuing education classes and programs throughout the year, from which members can obtain learning units for CES requirements. The Chapter automatically records these units for AIA Rochester sponsored events. Topics range from materials and systems to codes, design, and management issues.

ARCHITECT REGISTRATION EXAM (ARE)
The Chapter organizes and sponsors review classes for the Architectural Licensing Exam and has an extensive library that members can use to study for the exam.

OBJECTIVE 2: KNOWLEDGE DELIVERY

AIA ROCHESTER NEWSLETTER
The Chapter E-Newsletter is published on a monthly basis. It is circulated among members, affiliates, government officials, and advertisers. The newsletter shares information about the chapter and the profession with our membership and the community at large. We encourage all members to submit articles and information to the staff for publication.

AIA ROCHESTER WEBSITE
The Chapter web site provides its membership and the community with information about the profession, local architectural events and issues. It also includes links to member firms, AIA National and AIA New York State. Visit us at www.aiaroc.org

OBJECTIVE 3: EXTERNAL DIALOGUE

PUBLIC RELATIONS
Press releases and invitations to media personnel for events and activities are used to help advocate the architectural profession.

ACE
In support of its many member volunteers, AIA Rochester has become an official supporter of the thriving Rochester chapter of the nationwide ACE Mentor program. Students meet on a regular basis throughout the year with professionals in the architecture, construction and engineering fields to learn about career opportunities in the building industry and to design and construct a real, small scale project. For more information, visit https://www.acementor.org/index.php/affiliates/new-york/rochester/about-us/.
DESIGN AWARDS
Design Excellence Awards is a celebration of the profession. Firms and individuals submit boards for display. The Chapter sponsors an annual design awards competition. Local firms submit projects that are judged by an impartial jury. This black tie affair includes a multi-media presentation and refreshments. The Rochester Designers Unleashed Ideas Competition is intended to showcase the talents of young designers in our community. In 2017 we added an award called the Lifetime Achievement Award.

CAREER FAIR/SHADOWING
Schools can contact the Chapter office to request speakers for Career Days. Interested students can also be placed in half or full day shadowing programs at local firms. AIA Rochester also hosts an annual Career Fair for college students served by our component. Students are invited to share their resumes and portfolios and meet with participating area firms.

SCHOLARSHIP FUND
The Chapter, along with the Architectural Foundation of Greater Rochester (AFGR), AIA National, the family of Myron Starks, AIA and Women in Architecture sponsor an annual scholarship program. Awards are given to graduating high school seniors and college students pursuing a career from an accredited architecture school. Chapter members may contribute any amount to the fund at any time.

CHAPTER OFFICE
The Chapter is a full distributor of AIA documents to the architectural and construction industry. The Chapter maintains an extensive library of reference materials for exam review. The Chapter also acts as a community resource. It maintains a referral list for individuals and companies seeking an architect.

GOLF TOURNAMENT
The Chapter has been sponsoring an annual golf tournament since 1985 to raise funds for AIA Rochester education and scholarship programs. It currently cosponsors this event with the Architectural Foundation of Greater Rochester in September of each year.

OBJECTIVE 4: PARTNERS

PARTNERSHIPS
ACEC and AIA Rochester partnered in ACES and ACES2 to design, raise funds for and build two homes for Habitat for Humanity. Many AIA Rochester members continue to work on additional worthwhile community projects in conjunction with such organizations as the Landmark Society, CSI, Habitat for Humanity, and many others.

CANSTRUCTION
Partnering with presenting sponsor, Buckingham Properties, the AIA Rochester Chapter encourages local architecture firms to create structures out of canned food in an international competition. Over the past 12 years, over 370,000 pounds of food have been donated through this competition to Food Link which helps feed the hungry in the Rochester, NY area.
OBJECTIVE 5: ADVOCACY

LOBBY DAY
Members lobby our state representatives on issues important to architects. Lobby day is sponsored by AIA NYS.

GOVERNMENT AFFAIRS
AIA Rochester participates in AIA National and AIA NYS events which provide a forum to discuss legislative agendas as they pertain to the design professions.

HONORS AND AWARDS
The Chapter nominates local members worthy of National, State and Institute Honors, and facilitates their applications. The Chapter annually presents the Medal of Distinction Award, recognized as the highest award that AIA Rochester can bestow on a member. It is meant to distinguish lifetime service to the profession, the Chapter, and the community. The chapter continues to award the Emerging Architect of the Year and Volunteer of the Year Award annually.

OBJECTIVE 6: INCLUSIVENESS

ERA (EMERGING ROCHESTER ARCHITECTS)
The Emerging Rochester Architects (ERA) is a subcommittee of AIA Rochester, and is chaired by the AIA Rochester Emerging Professionals Director.

ERA includes associates, architects, and architectural students who have an enthusiasm for architecture, design and Rochester. ERA is the vehicle for hosting events and programs that are fun, foster professional development, and engage the community with a focus on architecture and design. The broad nature of ERA’s framework allows the members to steer it in a direction that is their passion and will best benefit them, allowing future generations to make ERA their own.

PRINCIPALS’ ROUNDTABLE
This group was formed to gather local architecture firm leaders to discuss issues that affect the local architecture community.

SMALL PRACTITIONERS’ GROUP
AIA Rochester is starting a group of member and nonmember sole proprietors and small firm (up to 8 people) practitioners to discuss issues, work, ways to market yourself to the public with help from group support, and and any other issues that arise.

AXP
The Architectural Experience Program (AXP) is a structured program designed so that architectural interns acquire comprehensive experience in basic practice areas, explore specialized areas of practice, develop professional judgement, and refine career goals. Completion of the program is a requirement for initial registration in New York State. AIA Rochester supports interns by facilitating connections to advisors and providing seminars through which interns can earn AXP credit. See www.ncarb.org and http://www.op.nysed.gov/prof/archlic.html for more information.
WOMEN IN ARCHITECTURE
The mission of Women in Architecture is to connect women, throughout their careers, for support and comradery, and to advocate for women-centric initiatives within the profession.

UNIVERSITY ARCHITECTURE PROGRAMS
A collaboration between AIA Rochester and the collegiate programs in the Greater Rochester area, including Alfred State College, Rochester Institute of Technology, Finger Lakes Community College and Hobart and William Smith, provide mentorship, jury critiques, AXP services, and lecture/continuing education opportunities.

CHAPTER HOLIDAY PARTY
The party is held annually in December at various locations. The local design community and municipal leaders are invited.

DESIGN AWARD JURIES
AIA Rochester is recruited occasionally to provide Design Award Juries. Chapter members have regularly acted in this capacity for AIA Chapters from across the country.

OBJECTIVE 7: GOVERNANCE

BOARD OF DIRECTORS
The Chapter maintains an active Board of Directors, which includes committees on Public Relations, Practice and Design, Education, Membership, and Associate affairs.

PAST PRESIDENTS’ COUNCIL
The Chapter has an active committee of Past Presidents, which acts in an advisory capacity to the current board on issues of the profession and of the community.

ANNUAL MEETING
The annual meeting is held in October of each year. Chapter business is conducted and results of the Chapter elections are announced at that time.
MEDAL OF DISTINCTION

The AIA Rochester “Medal of Distinction” is the highest award that AIA Rochester can confer on one of its own members. It recognizes distinguished lifetime achievement in architecture including design and professional practice and service to the profession, the community, education, and the arts, or any combination of these.

AIA New York State is the voice of the architectural community and a resource for its members in service to society.

It is American Institute of Architects New York State’s (AIANYS) Mission to represent architects and the profession of architecture in government and provide services to the membership. Architects within the profession saw a need for representation, to achieve influence and maintain the integrity of the profession for their needs in governmental bodies.

The AIANYS Board of Directors come together as a means of a cumulative voice for the 8000+ members and oversee the various operational aspects and activities. http://www.aianys.org/about/mission/

The individuals named below were AIA Rochester members while serving as president of the AIANYS Board.

**Firm Philosophy**  
CJS Architects has been an award winning design firm since 1972, with studios in Rochester and Buffalo, NY. Our area of expertise is navigating complex, large-scale environments with finesse while offering contemporary designs inspired by context and history. Experience includes higher education, cultural organizations, historic rehabilitation, adaptive reuse, sustainable development and luxury residential buildings.

CPL

Established 1975

255 Woodcliff Drive, Suite 200, Fairport NY, 14450–1179
Albany, NY; Binghamton, NY; Buffalo, NY; New Windsor, NY; Olean, NY; Jamestown, NY; and offices in NC, SC, GA

Firm Philosophy — CPL is a multi-disciplinary firm that has been serving public and private clients since 1975. We have grown in size from a small civil engineering firm of a half a dozen employees to a multi-disciplinary firm of nearly four hundred professionals in four states. From your first encounter with members of our staff, you will realize that we do things differently here at CPL. Our staff is dedicated to a client-centered philosophy of service that is based on three core beliefs. Our belief in full service. Our belief in personal attention. Our belief in Principal participation. This approach supports our goal in making the world a better place through exceptional design, dedicated service and lasting client relationships.

Client Contact — Depends on the industry and phase of the project.
Consultant Contact — Depends on the industry and phase of the project.

Firm Philosophy — DGA Builders has a passion for safe, ethical, hard driving, and well managed contracting. We imbue these attributes into our entire construction team. Our construction professionals possess a wide range of technical expertise which allows us to successfully execute projects across a varied number of market segments. DGA Builders is founded on one simple guiding principle: fully satisfy our client’s needs. We are an intensely client-driven organization. More so than buildings, we build relationships. We get to know our customers closely by fully understanding their personality, needs, and philosophy we are best equipped for project success.

Client Contact — Nancy Gong
Consultant Contact — Nancy Gong

Project Types — Commercial/Office Educational, Residential - Multi-Family

Completed Projects — Etched glass wall at RIT Administrative Services Bldg; ARTWalk of Rochester artistic etched glass bus shelter in front of Gleason Works; Glass Art towers at Port of Rochester

Firm Philosophy — The spirit and energy of living things has always intrigued me and continues to be at the very core of my art. Inspired by the temperament of my Asian background, I constantly strive to capture the grace, abstractions of nature and the Orient come to life through the use of line, color, texture, balance and the silent beauty of glass and metal. In my architectural work, the emphasis is on the customer satisfaction; sensitive, responsive and enduring designs with a focus on quality craftsmanship.

- 600 East Ave

**Firm Philosophy**
Since 1994 Hanlon Architects has been providing all aspects of design, from programming through space planning, and from overall master planning through interior design. We are equipped with an aesthetically unique design approach that is client-driven and relies on strong communication skills and diverse experience embodied by our 16 professionals. At Hanlon Architects, our passion for design and our commitment to the needs of each project have established us as a firm with many satisfied and returning clients. Our design work includes projects for corporate, health care, educational and retail facilities. It is our aim to channel our client’s individual culture and vision into exemplary architecture while solving technical and practical design issues. This results in buildings and interiors that support and inspire their occupants. We take seriously the impact of the built environment on its occupants and the surrounding community and strive to encourage that relationship toward a positive outcome.

Established 1995

Completed Projects — Our projects have included renovations and new buildings for major teaching hospitals and healthcare systems, such as the University of Rochester Medical Center; UR Medicine St. James Hospital, Hornell; UR Medicine Thompson Health, Canandaigua; SUNY Upstate Medical University, Syracuse; SUNY Downstate Medical Center, Brooklyn; Brookdale University Hospital and Medical Center, Brooklyn; Interfaith Medical Center, Brooklyn; Kingsbrook Jewish Medical Center, Brooklyn; Calvary Hospital, Bronx; Westminster Medical Center; Valhalla; Erie County Memorial Medical Center, Buffalo; Roswell Park Cancer Institute, Buffalo; Clifton Springs Hospital & Clinic, Clifton Springs; and Newark-Wayne Community Hospital, Newark. We also work with several State agencies, including DASNY, OGS, NYS OMH, NYC DOHMH, SUCF, and SUNY.

Firm Philosophy — Founded in 1995 by Mohamed M. Razak, Razak Associates, an NYS and NYC certified Minority Business Enterprise (MBE), is a specialized firm designed to respond effectively to the particular needs of complex healthcare, institutional, and academic organizations. Our approach to the design and construction of facilities is characterized by strict adherence to three main principles: 1) respect for the uniqueness of each client, 2) holistic approach to your design problems, and 3) consensus building.

PARTNER MEMBERS

Created to promote communication and networking among all members of the design and construction team, partnerships are open to architects, engineers, planners, landscape architects, artists, and those in government, education, journalism, manufacturing industry, and other fields allied to architecture. Partnerships are based on a calendar year from January–December.

Nancy Gong, Glass Artist, Hon. AIA Member
Gong Glass Works
42 Parkview Dr. Rochester, NY 14625
585-734-5520
nancy@nancygong.com

Solutions for site-specific installations, embracing fine art, decorative art, signage and graphics, as well as architectural ornamentation. Gong Glass Works offers a full range of artistic glass processes with emphasis on customer satisfaction; sensitive, responsive and enduring designs with a focus on quality craftsmanship.

“Ooo” meaningful art for the owners. The solution to a loading dock for a machine shop turned retail shop, now stunning art in an urban residential loft.

Our Consulting Services Include:
• Historic Resource Surveys
• National Register Nominations
• Historic Tax Credit Services
• Historic Research
• Preservation Advisory Services
• Outreach & Education
• Master Plans & Guidelines Documents
• Funding Sources & Grant Applications
• Land Use and Development
• Heritage Tourism

Our mission is to protect the unique architectural heritage of our region and promote preservation and planning practices that foster healthy, livable, and sustainable communities.

The Landmark Society of Western New York, Inc., is one of the nation’s oldest and most active historic preservation organizations. It is a not-for-profit membership organization dedicated to helping our region’s communities preserve and capitalize on their rich architectural, historical, and cultural heritage. The Landmark Society’s service area covers nine counties in western New York centered on the City of Rochester.

The Landmark Society provides preservation consulting services to property owners; architects and design teams; developers and real estate professionals; community organizations and non-profits; municipalities and planning jurisdictions. We specialize in identifying historic resources and preservation opportunities and helping groups and individuals find tools, strategies, and funding sources to ensure economically viable use of those resources. Our preservation consulting services can be tailored to individual project needs.

Rochester Downtown Development Corporation (RDDC) is a private, not-for-profit, economic development entity that strives to deliver a vibrant and economically strong downtown as part of the regional asset package. To create the synergy and balance that is part of a healthy downtown, the RDDC agenda nurtures a broad range of development initiatives. These include housing, commercial, entertainment, and large public projects.

For more than 50 years, Terracon has provided practical solutions to environmental, facilities, geotechnical, and materials engineering challenges. Our network of more than 150 offices coast-to-coast provides local expertise backed by national resources to get the job done cost effectively and efficiently.
Thank you to all of you who have put your trust in me to document your work and provide new and interesting ways to express your designs in photographs. It will be 30 years in 2019 since I moved to Rochester and began working with AIA members here. As always, I'm ready anytime you need me, to photograph your projects or simply discuss the possibilities. It's been a great journey so far and I am looking forward to seeing what you may design in the future!
When your client wants to lower the operating costs of a building as well as keep it dry, architects can turn to one company for all the solutions they need—Tremco Roofing and Building Maintenance. Whether it’s a white reflective roof to help lower energy costs, a photovoltaic roofing system to help generate electricity, a lush vegetated roof to help manage water or renovations to the building envelope. Tremco Roofing brings more than 80 years of sustainable commitment to every project. To learn more about how we can support your client’s goals, call us today at (585) 305-2337
