## PRESIDENT'S MESSAGE

I would like to thank you for being a supportive member and for contributing to our local chapter of the AIA. This community has been wonderful to work with during my past four years as an active member of the AIA Rochester Board of Directors.

As I move into the presidential position, I plan to continue with past presidents' objectives to advance the organization. We've been through a wacky several years and it is time to regroup and reassess our chapter's future goals and successes. My first goal of the year is to send out a questionnaire to get a better understanding of how to best serve the membership.

Expanding upon current chapter momentum, I plan to focus on several key issues which I feel are imperative for our continued growth:

### **Community Outreach**

We will continue reaching out to our existing partners to strengthen ties and we look to create new partnerships as well. We have formed a new Social Impact Committee whose purpose is to create a tangible outcome within our urban fabric. We will be collaborating with local leaders as part of this initiative.

### **Continue Opportunities for Membership**

Involving our members is something I strongly believe we should be doing! We reinstated the Principals' Round Table in December 2022 which engaged leaders in the architectural community in order to understand how to best serve our member firms. Feedback from the meeting concluded that the membership wants quality local events that have collaboration with other professional groups. My goal this year is to provide the membership those opportunities.

### **EDI (Equity, Diversity & Inclusion)**

Our newly established and quickly growing EDI Committee was formed to address inequities in the profession, the organization, and our firms. The committee is already moving forward with some community focused action items. I'm excited to see the accomplishments this committee will attain this year and into the future.

I can't wait to work with the AIA membership and our local partners this year. If you are interested in helping the local chapter, then please reach out to me or any of board members. I am honored to serve as your AIA Rochester President this year and to be the voice of our local AIA chapter.

Thank you,  
Jay Woodcock, AIA  
2023 AIA Rochester President

## **OUR MISSION**

AIA Rochester's mission is to promote the profession and practice of Architecture in the Greater Rochester Area. AIA Rochester is dedicated to providing its members opportunities for professional advancement, community involvement, and promoting design excellence in the built environment.

## **HISTORY OF THE AIA ROCHESTER CHAPTER**

The Rochester Chapter of the American Institute of Architects owes its beginnings to two sources. In the early 20th century, a few Rochester architects belonged to the Central New York Chapter, which covered a broad area from the Western line of Monroe County to the Adirondacks. In 1919, they soon recognized the need for a local organization and founded the Rochester Society of Architects. The Society quietly thrived for forty years, enjoying luncheons and an annual dinner. During the Great Depression the members set up mutual help activities as they worked to survive in those hard times. Later, with the development of better communications and easier travel, the National AIA became a recognized force.

In 1962 the Society voted to become a Section of the Central New York Chapter, and members became more active in AIA affairs. Soon thereafter, it became clear that Rochester architects would benefit from becoming an independent chapter. Application was made to the National Board of the AIA for a Chapter Charter, which was granted in October, 1968. Initially, the Chapter consisted only of Monroe County, however in 1981 Wayne, Livingston, Ontario, Yates and Seneca Counties were added. In 2014 Allegany County joined our chapter.

Since then, the Chapter has grown in health and size. Nationally it boasts of one of the highest percentages of member architects in its area. Programs expanded, and a central office was established in 1971. The loyalty and dedication of its members indicates its ongoing importance to the Rochester community.

The Charter members of AIA Rochester were Hugh P. Anderson, Florence England Bishop, William C. Burwell, Michael J. Doran, James W. Gemmill, Carl F. W. Kaelber Jr., Roger F. Leaper, G. Carroll Madden, Marvin Meyer, and Myron E. Starks.

**Firm Philosophy** – CPL is a multi-disciplinary firm that has been serving public and private clients since 1975. We have grown in size from a small civil engineering firm of a half a dozen employees to a multi-disciplinary firm of nearly four hundred professionals in four states. From your first encounter with members of our staff, you will realize that we do things differently here at CPL. Our staff is dedicated to a client-centered philosophy of service that is based on three core beliefs. Our belief in full service. Our belief in personal attention. Our belief in Principal participation. This approach supports our goal in making the world a better place through exceptional design, dedicated service and lasting client relationships.

# **ASSOCIATE MEMBERS**

ASSOCIATE MEMBERS ARE THOSE WITHOUT ARCHITECTURAL LICENSES FROM A U.S. LICENSING AUTHORITY AND WHO ARE: HOLDER OF A PROFESSIONAL DEGREE IN ARCHITECTURE; OR EMPLOYEE UNDER SUPERVISION OF AN ARCHITECT IN A PROFESSIONAL OR TECHNICAL CAPACITY RELATED TO THE PRACTICE OF ARCHITECTURE; OR FACULTY MEMBER IN A UNIVERSITY PROGRAM IN ARCHITECTURE ACTIVELY INVOLVED IN RESEARCH, ADMINISTRATION, OR THE TEACHING OF ARCHITECTURE; OR HOLDER OF AN ARCHITECTURAL LICENSE OR EQUIVALENT FROM A NON-U.S. LICENSING AUTHORITY.

# **LICENSURE**

There are three major components to becoming an architect:

## **Education**

Education requirements vary by state. Check your local jurisdiction. NYS residents can refer to the Office of the Professions website: <https://www.op.nysed.gov/architecture>

## **Examination**

The [Architect Registration Examination](#)® (ARE®) is a multi-division exam that assesses your knowledge and skills.

## **Experience**

You'll need to document real-world experience through the [Architectural Experience Program](#)® (AXP®)

## **Licensure**

Once you pass the exams and complete the experience requirement, you can register for a license. Individual states grant licenses. You can become licensed in multiple states.

Compare licensure requirements of the 54 jurisdictions to decide where to get your initial license. Typically, to maintain or renew your license, you'll need to earn continuing education credits each year.

## **Update Licensure Information with AIA National**

After you have your first license you will need to change your status with AIA National from Associate to Architect. Complete the [2023 Associate to Architect Form](#) and send it to [memberservices@aia.org](mailto:memberservices@aia.org). Please allow three to five business days for processing. Your status in our directory will be changed at the next directory update.

The image shows a business card for IBC Engineering P.C. The background is a photograph of a modern building with large glass windows and a metal railing in the foreground. The IBC logo, consisting of the letters 'I', 'B', and 'C' in white inside a dark blue stylized shape, is centered in the upper half. Below the logo, the text 'engineering pc' is written in a green, lowercase, sans-serif font. Underneath this, three service areas are listed in a dark blue, sans-serif font: 'Building Systems', 'Sustainable Design', and 'Energy Services'. At the bottom, the website 'www.ibceng.com' is underlined in blue, followed by the tagline '...take control of your environment' in green. The bottom of the card contains two lines of contact information in a dark blue, sans-serif font: '3445 Winton Place Suite 219 Rochester NY 14623 585 292 1590' and '2495 Main Street Suite 318 Buffalo NY 14214 716 836 2315'.

**Our mission is to protect the unique architectural heritage of our region and promote preservation and planning practices that foster healthy, livable, and sustainable communities.**

**The Landmark Society of Western New York, Inc.**, is one of the nation's oldest and most active historic preservation organizations. It is a not-for-profit membership organization dedicated to helping our region's communities preserve and capitalize on their rich architectural, historical, and cultural heritage. The Landmark Society's service area covers nine counties in western New York centered on the City of Rochester.

The Landmark Society provides preservation consulting services to property owners; architects and design teams; developers and real estate professionals; community organizations and non-profits; municipalities and planning jurisdictions. We specialize in identifying historic resources and preservation opportunities and helping groups and individuals find tools, strategies, and funding sources to ensure economically viable use of those resources. Our preservation consulting services can be tailored to individual project needs.

**Our Consulting Services Include:**

- Historic Resource Surveys
- National Register Nominations
- Historic Tax Credit Services
- Historic Research
- Preservation Advisory Services
- Outreach & Education
- Master Plans & Guidelines Documents
- Funding Sources & Grant Applications

Thank you to all of you who have put your trust in me to document your work and provide new and interesting ways to express your designs in photographs. It will be 30 years in 2019 since I moved to Rochester and began working with AIA members here. As always, I'm ready anytime you need me, to photograph your projects or simply discuss the possibilities. It's been a great journey so far and I am looking forward to seeing what you may design in the future!
