

Architectura PC, Rochester NY is seeking a full-time architectural designer.

We are looking to add staff who enjoy project production and 3D modeling. Experience and interest in working on all other aspects of architectural design services are also welcome.

Summary of Position:

- The Architectural Designer is primarily responsible for project production, from conceptual design through construction, with the supervision of the project architect.
- Regularly coordinate with engineering consultants, construction contractors, and other project participants.
- Produce marketing and presentation materials.

Skills and qualifications:

- Minimum of 2 years experience working on project production within an architectural firm.
- A BS in Architectural Technology or B Arch degree
- Proficient with construction documentation using AutoCAD and Revit
- Experienced in Microsoft Office, Adobe Photoshop and Enscape 3D imaging.
- Basic knowledge of building construction and building codes.
- Aptitude for working as part of a team, as well as working out challenging tasks individually.
- Organized critical thinker with attention to detail, and efficient working habits.
- Demonstrates professional communications skills when representing the firm.

Our work is performed in-office. We will accept inquiries from those currently residing or intending to relocate to the Rochester, NY area.

- Architectura PC provides architectural and interior design services on projects typically located in upstate New York.
- We are a small, professional, talented firm that works on new construction and renovation projects, both small and large-scale.
- We enjoy working on a wide variety of project types, including municipal, educational, multi-family housing, single-family homes, medical and worship facilities.
- It is important to us to provide distinctive design and excellent service to our clients.

Architectura offers a competitive compensation and benefits package commensurate with the ideal candidate's experience and qualifications. Architectura provides a creative environment. Submit inquires and resumes to: architectura@architecturapc.com
