OFFICE & HOURS

Executive Director: Linda B. Hewitt, Hon. AIANYS
Office Hours: M-W-F 8AM - 5PM
Phone: 585-232-7650
Cell: 585-261-3785
E-mail: lbhewitt@aiaroc.org

As announced on the AIA Rochester website on October 11, 2018. The AIA Rochester Board of Directors voted on the location of the AIA Rochester Chapter Office . Our Executive Director will be working from a home office but the chapter will have a touch-down space at Warner Castle with The Landmark Society starting late Spring of 2019. The office will hold meetings at the location, store the ARE library and it will also provide storage for our design award and golf items. The thought behind the decision will allow AIA Rochester to continue and improve upon events and services to its members.

PRESIDENT'S MESSAGE

First and foremost, thank you for your membership and support for AIA Rochester. It is with great honor and privilege to be serving as President during the chapter's Centennial Year. I'm humbled to be contributing to our historic organization whose reputation is second to none in the state and beyond. Our success at the AIA NYS Honor Awards last year is evidence of that.

Our Chapter's history began in 1919 when The Rochester Society of Architects was formed. This marked the city's first professional organization of architects. Since that time, both the city and our profession have seen dramatic change. What has remained consistent however is our tight-knit community of architects who have been determined to advance the profession of architecture here locally and beyond. It is a monumental milestone to celebrate and we intend to do just that!

For the past year the Board of Directors along with the Centennial Committee has been actively and tirelessly planning our Centennial Celebration. Our goal for this has been to develop and program a yearlong celebration aimed at honoring our past while looking towards our future. We've identified several themes for each endeavor we pursue this year:

-Publicize, Celebrate and Educate

-Excite, Engage and Participate

-Honor Past, Present and Future

In addition to these themes, we are also targeting strategic partnerships. These new partnerships are part of an overall public outreach and engagement campaign aimed at increasing our chapter's exposure and value in the community. Our goal in this is to position ourselves as invaluable thought leaders in our region. The final theme of our Centennial is of course to celebrate! We are, after all, a profession that works hard and plays hard. We plan on using this tremendous occasion to promote our profession while having fun doing so.

Although we have many initiatives planned for next year we have targeted three major events. Please be on the lookout for more information on all of these fantastic signature events:

-Architecture Themed Fashion Show at Fashion Week Rochester

-Major Arts/Architecture Installation Competition at Midtown Commons

-Design Awards Gala and Celebration at Arbor at the Port.

Next year marks another major milestone for AIA Rochester as we transition to a new permanent location. One of the chapter's goals during AIA National's repositioning was to reduce our operating

costs to offset funding gaps. Moving from the St. Paul Street location was identified as a major opportunity to do so. A wonderful partnership with Monroe County and the Landmark Society of Western New York (LSWNY) allows us to do just that. In spring of 2019, AIA Rochester will move into Warner Castle with LSWNY. The renovated historic landmark in Highland Park will provide the chapter with office and conference space as well as direct partnership with LSWNY. This location will provide us with the necessary resources without major financial burden.

Lastly, and in addition to our ambitious Centennial programming, we will continue our efforts to enhance the quality and value of your membership. We will focus on increasing membership, providing opportunities for growth and education, and tirelessly advocating for the quality of our built environment. AIA Rochester's most valuable asset is you, the members. I ask that you take ownership of the Centennial events next year and participate as much as possible. The success of all that we do depends on an active and engaged membership.

Please reach out with any and all suggestions or comments.

Get Connected. Get Engaged. Get Ahead.

Jason Streb, AIA

OUR MISSION

AIA Rochester's mission is to promote the profession and practice of Architecture in the Greater Rochester Area. AIA Rochester is dedicated to providing its members opportunities for professional advancement, community involvement, and promoting design excellence in the built environment.

HISTORY OF THE AIA ROCHESTER CHAPTER

Established October 1968

The Rochester Chapter of the American Institute of Architects owes its beginnings to two sources. In the early 20th century, a few Rochester architects belonged to the Central New York Chapter, which covered a broad area from the Western line of Monroe County to the Adirondacks. In 1919, they soon recognized the need for a local organization and founded the Rochester Society of Architects. The Society quietly thrived for forty years, enjoying luncheons and an annual dinner. During the Great Depression the members set up mutual help activities as they worked to survive in those hard times. Later, with the development of better communications and easier travel, the National AIA became a recognized force.

In 1962 the Society voted to become a Section of the Central New York Chapter, and members became more active in AIA affairs. Soon thereafter, it became clear that Rochester architects would benefit from becoming an independent chapter. Application was made to the National Board of the AIA for a Chapter Charter, which was granted in October, 1968. Initially, the Chapter consisted only of Monroe County, however in 1981 Wayne, Livingston, Ontario, Yates and Seneca Counties were added. In 2014 Alleghany County joined our chapter.

Since then, the Chapter has grown in health and size. Nationally it boasts of one of the highest percentages of member architects in its area. Programs expanded, and a central office was established in 1971. The loyalty and dedication of its members indicates its ongoing importance to the Rochester community.

The Charter members of AIA Rochester were Hugh P. Anderson, Florence England Bishop, William C. Burwell, Michael J. Doran, James W. Gemmill, Carl F. W. Kaelber Jr., Roger F. Leaper, G. Carroll Madden, Marvin Meyer, and Myron E. Starks.

OBJECTIVE 1: EDUCATION

CONTINUING EDUCATION (CES)

Continuing education is a requirement of membership in the AIA, as well as of the New York State Education Department. All members are required to obtain a minimum number of learning units each year in various forms of continuing education. AIA Rochester offers a variety of continuing education classes and programs throughout the year, from which members can obtain learning units for CES requirements. The Chapter automatically records these units for AIA Rochester sponsored events. Topics range from materials and systems to codes, design, and management issues.

ARCHITECT REGISTRATION EXAM (ARE)

The Chapter organizes and sponsors review classes for the Architectural Licensing Exam and has an extensive library that members can use to study for the exam.

OBJECTIVE 2: KNOWLEDGE DELIVERY

AIA ROCHESTER NEWSLETTER

The Chapter E-Newsletter is published on a monthly basis. It is circulated among members, affiliates, government officials, and advertisers. The newsletter shares information about the chapter and the profession with our membership and the community at large. We encourage all members to submit articles and information to the staff for publication.

AIA ROCHESTER WEB SITE

The Chapter web site provides its membership and the community with information about the profession, local architectural events and issues. It also includes links to member firms, AIA National and AIA New York State. Visit us at www.aia.org/rochester

OBJECTIVE 3: EXTERNAL DIALOGUE

PUBLIC RELATIONS

Press releases and invitations to media personnel for events and activities are used to help advocate the architectural profession.

EXPLORER SCOUTS IN ARCHITECTURE

AIA Rochester has been involved with the Boy Scouts since 1971, providing youth with an inside look at the profession. Lectures, field trips, and projects make for a real “hands-on” learning experience. Evening classes are held once a month from October to May. Chapter members donate their time to help the next generation of architects and patrons.

DESIGN AWARDS
Design Excellence Awards is a celebration of the profession. Firms and individuals submit boards and models for display. The Chapter sponsors an annual design awards competition. Local firms submit projects that are judged by an impartial jury. This black tie affair includes a multi-media presentation and refreshments. In 2017 we added a new award, called the Lifetime Achievement Award.

CAREER DAYS/SHADOWING
Schools requesting architects for Career Days are scheduled through the Chapter. Interested students can also be placed in half or full day shadowing programs at local firms. AIA Rochester and ACEC Rochester work jointly together to make presentations at local schools in the Spring and Fall of each year.

SCHOLARSHIP FUND
The Chapter, along with the Architectural Foundation of Greater Rochester (AFGR), and AIA National, sponsor an annual scholarship program. Awards are given to graduating high school seniors and college students pursuing a career from an accredited architecture school. Chapter members may contribute any amount to the fund at any time.

CHAPTER OFFICE
The Chapter is a full distributor of AIA documents to the architectural and construction industry. The Chapter maintains an extensive library of reference materials for exam review, AIA fellowship binders and urban design.
The Chapter also acts as a community resource. It maintains a referral list for individuals and companies seeking an architect, as well as gallery space dedicated to the display of local architectural design award submissions and student projects.

GOLF TOURNAMENT
The Chapter has been sponsoring an annual golf tournament since 1985 to raise funds for AIA Rochester education and scholarship programs. It currently cosponsors this event with the Architectural Foundation of Greater Rochester in September of each year.

OBJECTIVE 4: PARTNERS

ALLIED PARTNERSHIPS
ACEC and AIA Rochester partnered in ACES and ACES2. Together we designing, raised the funds and built two homes for Habitat for Humanity. Many AIA Rochester members continue to work on additional worthwhile community projects in conjunction with such organizations as the Landmark Society, CSI, Habitat for Humanity, and many others.

CANSTRUCTION
Partnering with presenting sponsor, Buckingham Properties, the AIA Rochester Chapter encourages local architecture firms to create structures out of canned food in an international competition. Over the past 9 years, over 150,000 cans of food have been donated through this competition to Food Link which helps feed the hungry in the Rochester, NY area.

OBJECTIVE 5: ADVOCACY

LOBBY DAY

Members travel to Albany to lobby our state representatives on issues important to architects. Lobby day is sponsored by AIA NYS.

GOVERNMENT AFFAIRS

AIA Rochester participates in AIA National and AIA NYS events which provide a forum to discuss legislative agendas as they pertain to the design professions.

HONORS AND AWARDS

The Chapter nominates local members worthy of National, State and Institute Honors, and facilitates their applications. The Chapter annually presents the Medal of Distinction Award, recognized as the highest award that AIA Rochester can bestow on a member. It is meant to distinguish lifetime service to the profession, the Chapter, and the community. The Chapter also has added two new awards, the Emerging Architect Award and the new Rochester Designers Unleashed Ideas Competition.

OBJECTIVE 6: INCLUSIVENESS

ERA (EMERGING ROCHESTER ARCHITECTS)

ERA is a committee of young architects that come together for social gatherings, networking and supporting each other in programs such as IDP, LEED and ARE study programs.

PRINCIPAL'S ROUNDTABLE

This group was formed to gather local architecture firm leaders as a place to discuss issues that affect the local architecture community.

SMALL PRACTITIONER'S GROUP

AIA Rochester is starting a group of member and nonmember sole proprietors and small firm (up to 8 people) practitioners to discuss issues, work, ways to market yourself to the public with help from group support, and whatever else 'comes to the table."

AXP

The Architectural Experience Program (AXP) is a structured program designed so that architetctural interns acquire comprehensive experience in basic practice ares, explore specialized areas of practice, develop professional judgement, and refine career goals. Completion of the program is a requirement for initial registration in New York State. AIA Rochester supports interns by facilitating connections to advisors and providing seminars through which interns can earn AXP credit. See. www.ncarb.org and http://www.op.nysed.gov/prof/archlic.html for more information.

GIRLS IN ARCHITECTURE

The 2017 Girls in Architecture & Engineering program is being provided at the Young Women's College Prep Charter School for 9th & 10th grade girls for five sessions in March and April. Planning is just starting with the 25+ female architecture and engineering volunteers.

ALFRED STATE COLLEGE
A collaboration between AIA Rochester and the Department of Architecture and Design provides mentorship, jury critiques, a Design Career Fair, and gallery display at the chapter office for student projects.

ROCHESTER INSTITUTE OF TECHNOLOGY
A collaboration between AIA Rochester and the Master of Architecture Program at RIT provides mentorship, jury critiques, AXP services, gallery display reciprocity and lecture/continuing education opportunities.

CHAPTER HOLIDAY PARTY
The party is held annually in December at various locations. The local design community and municipal leaders are invited.

DESIGN AWARD JURIES
AIA Rochester is recruited on an annual basis to provide Design Award Juries. Chapter members have regularly acted in this capacity for AIA Chapters from across the country.

OBJECTIVE 7: GOVERNANCE

BOARD OF DIRECTORS
The Chapter maintains an active Board of Directors, which includes committees on Public Relations, Practice and Design, Education, Membership, and Associate affairs.

PAST PRESIDENTS COUNCIL
The Chapter has an active committee of Past Presidents, which acts in an advisory capacity to the current board on issues of the profession and of the community.

ANNUAL MEETING
The annual meeting is held in October of each year. Chapter business is conducted and results of the Chapter elections are announced at that time.

FELLOWS

Fellowship in the AIA is conferred on regular members of ten years' good standing and who have made notable contributions to the advancement of the profession.

Chaintreuil, Ann R.

Gates, Martha M.

Zimmerman, Thomas

MEDAL OF DISTINCTION

The AIA Rochester "Medal of Distinction" is the highest award that AIA Rochester can confer on one of its own members. It recognizes distinguished lifetime achievement in architecture including design and professional practice and service to the profession, the community, education, and the arts, or any combination of these.

Website: www.nancygong.com

Principals: Nancy Gong

Firm Philosophy: The spirit and energy of living things has always intrigued me and continues to be at the very core of my art. Inspired by the temperament of my Asian background, I constantly strive to capture the grace, abstractions of nature and the Orient come to life through the use of line, color, texture, balance and the silent beauty of glass and metal. In my architectural work, the emphasis is on the customer satisfaction; sensitive, responsive and enduring designs with a focus on quality craftsmanship

Project Types: Commercial/Office Educational, Residential - Multi-Family

Completed Projects: 54' Etched glass wall at RIT Administrative Services Bldg; ARTWalk of Rochester artistic etched glass bus shelter in front of Gleason Works; Glass Art towers at Port of Rochester

ASSOCIATE MEMBERS

Associate Members are those without architectural licenses from a U.S. licensing authority and who are: holder of a professional degree in architecture; or employee under supervision of an architect in a professional or technical capacity related to the practice of architecture; or faculty member in a university program in architecture actively involved in research, administration, or the teaching of architecture; or holder of an architectural license or equivalent from a non-U.S. licensing authority.

CARLISLE
SYNTEC SYSTEMS

Roofing and Waterproofing for the
COMPLETE BUILDING ENVELOPE

Carlisle's high-performance roofing and waterproofing products have been providing architects and building owners with peace of mind for decades. Today, these dependable products have united to provide the industry's most comprehensive building envelope system. From our EPDM, PVC and TPO single-ply membranes and Polyiso and EPS insulation to our below-grade waterproofing and air/vapor barriers, Carlisle has the products to help seal up your building, reduce its energy costs and extend its overall service life.

- EPDM Membranes
- TPO and PVC Membranes
- Polyiso and EPS Insulation
- Roofing Cements
- Plaza Decks or Planted Rooftops
- Skylights
- Prefabricated & Pressure-Sensitive Accessories
- Air & Vapor Barriers
- Below-Grade Waterproofing

Print Anything. Document Everything

We Know Workflow.
If you're looking for new and innovative ways to help speed the flow of information, enable team collaboration and provide comprehensive tracking and monitoring of all your projects, look no further than Dataflow.

At Dataflow, we've dramatically expanded our product and service offerings while maintaining the legendary attention to detail and obsession with customer service our company was built on nearly 60 years ago.

Our cloud-based document management and project workflow software helps you store, access, organize and share all your project information safely and securely throughout the entire construction cycle from your desktop, smartphone or tablet.

Dataflow's on-site managed print facilities allow you to combine our extensive experience in equipment selection, IT integration, job tracking and billing solutions with the convenience of printing right in your office or job trailer.

Need presentation boards in a hurry? We can print all your small- and large-format color marketing and presentation materials quickly and reliably, with the professional look and touch you demand.

From large-scale banners and construction signage to digital wall graphics and décor, we offer a wide range of customized solutions to fit your specific project needs and goals.

Find out how our on-site Lunch & Learns can also help you to earn AIA Continuing Education credits.

DATAFLOW
print anything. document everything.

Rochester Downtown Development Corporation (RDDC) is a private, not-for-profit, economic development entity that strives to deliver a vibrant and economically strong downtown as part of the regional asset package. To create the synergy and balance that is part of a healthy downtown, the RDDC agenda nurtures a broad range of development initiatives. These include housing, commercial, entertainment, and large public projects.

Visit us at www.rochesterdowntown.com to learn more.

Thank you to all of you who have put your trust in me to document your work and provide new and interesting ways to express your designs in photographs. It will be 30 years in 2019 since I moved to Rochester and began working with AIA members here. As always, I'm ready anytime you need me, to photograph your projects or simply discuss the possibilities. It's been a great journey so far and I am lookng forward to seeing what you may design in the future!

TREMCO.
Roofing & Building Maintenance
"Providing Roofing & Weatherproofing Peace of Mind"

When your client wants to lower the operating costs of a building as well as keep it dry, architects can turn to one company for all the solutions they need--Tremco Roofing and Building Maintenance. Whether it's a white reflective roof to help lower energy costs, a photovoltaic roofing system to help generate electricity, a lush vegetated roof to help manage water or renovations to the building envelope. Tremco Roofing brings more than 80 years of sustainable commitment to every project. To learn more about how we can support your client's goals, call us today at (585) 305-2337
