## DO YOU KNOW WHAT A CAREER IN ARCHITECTURE CAN DO FOR YOU?

Join us on October 8 to find out! In conjunction with the Exploring Division of the Seneca Waterways Council and the Rochester Chapter of the American Institute of Architects (AIA Rochester) this architecture specific Exploring Post is geared toward exposing young people to as many different careers and experiences in architecture as possible throughout the school year. Engaging, hands on experiences include:

- Guest speakers from local firms
- Drawing and design exercises
- Sketching tour of Rochester
- Sustainable design
- Technology in architecture
- College and career paths

We invite you and a parent or guardian to join us for the informational meeting.

See you there,

**Blair A. Benson**, Assoc. AIA  
CPL  
Director of Education, AIA Rochester

**John Sheible**  
Exploring District Executive
